Tribute Gifts

Tribute Gifts can be made in honor or memory of a friend or loved one. A tribute gift is a wonderful way to let someone know that you are thinking of him or her on a special day.

When your gift is received, we will send a special notification card to the person you are honoring, or to the family of the person of whom you have made a gift in memory (the amount of the contribution is confidential). You will receive a letter of acknowledgement for your gift.
